

REMARKS

Claim 67 is canceled. New independent claims 69-70 are added. Claims 43 and 68 are amended.

Claims 36-41, 49-58 and 62-65 are allowed.

Claims 66-68 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims.

Accordingly, independent claim 43 is amended by the limitations of allowable dependent claim 67, and therefore, independent 43 is allowable.

Claims 44-45, 59-61, 66 and 68 depend from allowable independent claim 43, and therefore, the dependent claims are allowable.

Allowable dependent claims 66 and 68 are rewritten as new independent claims 69-70 (before the amendment to independent claim 43 herein), and therefore, new independent claims 69-70 are allowable.

All pending claims are now in form for allowance.

Consequently, this application is now believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent

action.

Respectfully submitted,

Dated: 6-20-07
